SUPPORT AND HELP FOR VHS STUDENTS

Occasionally, every student may feel the need for extra support or help from the school staff. We have many understanding people and available programs that can help a student get through any tough time. If a student is stressed, frightened, bored, tired, or just needs somebody to talk with about a problem or concern, please talk with someone on the staff. Teachers, the school counselor, the principal, the office secretary, or other staff members are here to help students have a positive high school experience.

VALLEY HIGH SCHOOL SONG

1st Verse

Hail to our high school, the one we love so well. Down in the Valley where friendship
e're shall dwell. Home of our school days by work and study won, dearest of all
schools beneath the western sun.

Chorus

At Valley High School as friends we'll ever meet. True to our friendship of days that
are so fleet. Onward and upward our course we will pursue, with teachers to lead us
who are valiant and true.

2nd Verse

Ever we're striving more knowledge to obtain. True to our motto, success shall be our
fame. We're one in purpose, we're climbing round by round, rich gems of knowledge
in each bright day are found.

Words by Bessie Payne Heaton, Music by H. Theron Salter

VALLEY HIGH SCHOOL STYLE GUIDE

INTRODUCTION

The Valley High School logos and icons are central to the school's visual identity and should be used on branding materials and communications within the organization, including official school documents, school stationary, the school website, social media channels, etc. We encourage using the logos in a consistent manner to help with school spirit and identity. Please do not alter the logos by changing the font, colors, spacing, or adding outlines, drop shadows, or other embellishments.

*There is some debate as to the spelling of buffalo in its plural form. Most dictionaries list the plural of buffalo as *buffalo* or *buffaloes* or *buffalos*. We recommend using the BUFFALOS spelling for all school branding materials.

PROPORTION, RESOLUTION, SIZE

Our logos should never be stretched or distorted—always scale proportionally. This can usually be done by selecting the corner and/or holding shift when resizing the logo in an application. When possible, use the vector formats (.ai) for production purposes. If a raster format is used (.png or .jpg), make sure that the logo file has a high enough resolution that it will maintain clarity for the intended use.

FONTS AND GENERAL TYPOGRAPHY

The font used in the primary school logo is Korolev Medium. It is useful for a headline or title font, and pairs nicely with a light sans-serif font for the body text. The spirit logo uses an outlined version of Korolev, as well as the Modesto font for the BUFFALOS portion of the logo.

PRIMARY SCHOOL LOGO

The primary logo should be used on official school documents and communications such as school letterhead, ID's or badges, and the school website. Both the BUFFALOS and HIGH SCHOOL wordmarks are acceptable to use underneath VALLEY and the icon.

PRIMARY SPIRIT LOGO

The spirit logo is a bolder version of our primary school logo. It works well for sports and activities, as well as general promotional materials for the school.

ICONS

The school icon should be used when there is insufficient space for the primary school logo, or when the text from the logo would be too small to read. Various color combinations and circles can be used with the school icon. A simplified version of the icon may be useful for situations such as a one-color shirt print or for embroidery purposes.

V LOGO

The V logo should be used in similar situations as the icon. It also works well on hats, uniforms, and other sports items. The V logo can be combined with the spirit wordmarks in various ways to create an array of promotional school materials.

WORDMARKS

Use wordmarks when there is limited space or when the icon has been used in another location on the branding material. The spirit wordmark could be used on uniforms and on other sports/activities materials. The primary wordmark should be used on official or formal communications.

SCHOOL COLORS

The primary school colors are black and valley orange. Dark gray and light gray can be used as accent colors when needed. When using orange, use ONLY VALLEY ORANGE and do not apply any color alterations.

HIGH STUDENT ACHIEVEMENT

During this time of student life, education is a student's career. Coming to this school is a student's job. A student's job expectations and responsibilities include:

1. Be responsible for learning at school. Learning is a student's first responsibility. It is great to have friends, but students should not socialize during class time. Socializing interferes with both learning and the general atmosphere of the classroom.
2. Put forth your best effort at all times.
3. Take paper, pencil, chromebook, needed textbooks, and any special materials to each class daily. Be responsible for taking those materials to each appropriate class.
4. Be prepared, complete and submit all assignments.

HOME/SCHOOL COMMUNICATION

Clear and accurate communication is important to students and their families. Remind texts will be sent out periodically. A mid-term report will be sent to parents by mail. Sometimes students will be responsible for taking messages home. During school, remember to listen to the announcements on the PA and messages from teachers. Important information regarding grades, announcements, activities, etc. will be posted on the school website: <https://vhs.kanek12.org>

RIGHTS AND RESPONSIBILITIES

Every person has the right to be treated as an exceptional human being. By being a student at Valley High School, a student can expect:

1. The right to an education. (Teachers should be free to teach and students free to learn without being interrupted by inconsiderate or disruptive students.)
2. The right to be safe in school and to have personal and school property respected.
3. Freedom from physical abuse and/or mental abuse including name calling, intimidation, harassment, or any form of bullying. Swearing and use of inappropriate language are not acceptable. Discipline will be in compliance with school and district policy.
4. Freedom from being segregated or mocked because of race, gender orientation, religion, physical strength, friendship groups, age, culture, disability, clothing, etc.

It is the policy of the Kane County School District to provide all students a learning environment free from sexual harassment. This means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a

sexual nature, whether initiated by students, school employees, or visitors. This policy is available in the Principal's Office.

VHS LIBRARY

The library is open to students from 7:30 a.m. to 3:30 p.m. Monday through Thursday and 7:30 a.m. to 1:00 p.m. on Friday. Students are expected to show consideration for others by moving and reading quietly. Students may check out two books at a time for a two-week period. Books may also be renewed for an additional two weeks if needed. Students that have their name listed on the overdue book list may not check out any additional books or materials until the late books are returned or paid for. There is a five cent per day fine for overdue books, and a replacement fee must be paid for lost or damaged books.

SCHOOLWORK

Learning and teaching are established on the premise that all students can and do learn. Students are required to complete all assignments in all classes and submit them to the teacher. Schoolwork and homework should be completed as soon as possible after being assigned rather than being put off until the last minute. We encourage all students to do quality work on every assignment. School work must meet acceptable English usage guidelines. Falsified information (written or verbal), cheating, and plagiarism will not be tolerated. Absent/late work will be accepted at each teacher's discretion.

REPORT CARDS

Students receive grades of A, B, C, D, F, P (passing) or I (Incomplete). For the 1st, 2nd, and 3rd quarters, a student who receives an "I" grade must complete work to get a passing grade within two weeks following parent notification. It is the responsibility of the student to work with individual teachers.

BUS CONDUCT & REGULATIONS

The students on the bus are under the immediate supervision of the bus driver and are thus subject to the following rules set by the School Board and the State.

1. Stand in an orderly single file line at pick-up points until the bus comes to a complete halt.
2. Enter the bus in an orderly fashion.
3. All passengers must be seated while the bus is in motion.
4. At your stop, remain in your seat until the bus has fully stopped. Then enter the aisle and go directly to the front exit door.

Loud talking, use of profanity, fighting, throwing things, smoking, damaging the bus or bus seats, standing, eating or drinking, are examples of activities that draw attention of the bus driver from his/her main task of safe operation of the bus. Such actions, or any other distracting action by the riders, create a safety hazard by demanding unnecessary attention of the driver and are forms of misconduct. Misconduct at bus stops is also considered a violation and shall be cause for disciplinary action.

When a rider is guilty of misconduct on the bus or at the bus stop, it will be reported to the principal of his/her school. Parents will be held responsible for any bus damage that may result from the student's misconduct. Misconduct may be cause to deny the privilege of transportation to the student. The following procedures will be taken by school administration. Misconduct citations will be issued as follows:

- 1st Offense: Student given an oral warning. (Bus Driver)
- 2nd Offense: Student/Parent given a written warning. (Bus Driver, School Administration and parents)
- 3rd Offense: Student/Parent given a written warning
- 4th Offense: Student given a written warning. Bus privileges denied for 10 days. A parent conference is required before student can return to bus
- 5th Offense: Transportation privilege denied for the remainder of the school year. (School Admin. And School Board)

Offenses such as smoking, drugs, weapons, damaging the bus, or harming another student will be handled as 3rd citation level on the 1st offense. Violation of the law will be reported to the Sheriff's Office for investigation and prosecution.

ILLNESS

If a student becomes ill at school, the classroom teacher will send the student to the school office. Students should not use the classroom phones to call home.

1. Students must report to the secretary in the office.
2. Students will be allowed to go home ONLY if parents or guardians are contacted and approve of the student going home.
3. If a student's parent cannot be reached, and the student is not in an emergency situation, the student will return to class. If the student is too ill to return to class, provisions will be made for the student to rest at school.

PROCEDURES FOR ABSENCES

Utah State Law requires all students to attend school up to the age of 18. While students are required to be in school every day, there may be illness or special emergencies that will require absence from school. Parents must contact the school office and report the reason for their student's absence. Parents are encouraged not to keep students home to baby-sit, run errands, or for any non-emergency family business. Parents who willfully allow or keep their students out of school for an inappropriate reason are guilty of educational neglect.

TARDY POLICY

Students are expected to arrive at school and be in class on time. Tardiness disrupts the class and will not be tolerated. Students will sign a tardy log, parents/guardians will be contacted, and students will lose passing privileges/other privileges if punctuality is not improved (cell phones, off campus lunch, receive ISS). Punctuality is an important employability skill (see each teacher's syllabus).

STUDENT GUESTS/VISITORS

Guests of students are NOT PERMITTED on campus or in classes because of the liability to the school district. ALL visitors are to report to the school office upon entering the school. Parents are always welcome but must check in with the office.

VHS LOCKERS

Hall lockers and P.E. lockers will be provided to students. The administration and/or a designee may search all lockers and/or backpacks if there is a reasonable cause. (UCA 78-3E-4)

ITEMS NOT ALLOWED IN SCHOOL

The following items are disruptive and may interfere with the learning climate at our school. Please do not bring such items to school. Exceptions may be arranged with teacher or school principal:

1. Dangerous objects such as knives, spike wristbands, spike necklaces, sharp objects, lighters, matches, or any device which can hurt people.
2. Items of distraction such as toys, water guns, whistles, balloons, stink bombs, confetti, offensive spray, laser lights, etc.

Items taken from a student may be returned to a parent. Items that are considered harmful or extremely dangerous will be given to the local police department.

CELL PHONES/ELECTRONIC DEVICES

Cell phones and electronic devices will be allowed before school, during lunch, and after school. They may not be used during class breaks or in the classroom except with teacher direction for educational purposes.

- 1st Offense: Cell phones will be confiscated and will be returned at the end of the day with parent notification.
- 2nd Offense: It will be returned to a parent.
- 3rd Offense: The cell phone will be returned to a parent. The cell phone will be checked in at the front office during school hours, on a case by case basis, from that point forward.

Important: Discipline is about teaching, not about punishment

School Discipline is designed first and foremost to keep school a safe place emotionally, socially and physically. Discipline should also be an instructive

support system that allows students to learn why certain behaviors are inappropriate and to learn and practice positive replacement behaviors. Ideally, it helps students accept responsibility for their misbehavior and repair any damage done to their school relationships as a result of their bad choices. Just as in real life, there are often consequences to misbehavior and those too are designed to be a learning experience that repairs relationships. Quite often when we hurt others and damage our relationships, it is not possible to completely repair the situation and thus other consequences are required to ensure we have done everything we can to right our wrongs.

We appreciate your support as a parent or guardian of a Valley High School student to help us accomplish this goal. We have a school-wide positive behavioral intervention and support system with multiple tiers of support to encourage positive behavior and to support students struggling with behavior problems.

RESTORATIVE PRACTICES

We strongly believe that school discipline should focus on teaching rather than focus on punishment. When appropriate and as often as possible, we strive to have students reflect on their behavior and come up with a plan to right the wrong. Restorative

practices are used here at Valley High School to help resolve conflict between students and to prevent future harm. Restorative practices give those harmed an opportunity to let those responsible know how it has affected them. In turn, those responsible for the harm are able to reflect on the situation and make plans to make it right.

The following are questions that are typically used when implementing restorative practices:

Restorative Questions I (to respond to challenging behavior):

- What happened?
- What were you thinking at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you need to do to make it right?

Restorative Questions II (to help those harmed by others' actions):

- What did you think when you realized what had happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make it right?

ABIDE BY THE “BIG SIX” EXPECTATIONS OF VHS

We believe that our students are very responsible and disciplined. Procedures are in place when students fail to comply with school expectations and management procedures. If these rules are violated, consequences will follow. Parents are contacted and if needed, the local police and/or other district and community resources will become involved.

1. **Fighting, harassment, bullying and intimidation** are strictly forbidden. These acts will result in a detention and may include one to five days of placement in either in-school or out-of-school suspension.
2. **Disrespect, insubordination and lack of diligence** to an administrator, teacher, staff member, other student(s) or guest are not acceptable. These acts will result in out-of-school or in-school suspension and/or detention and a parent conference.
3. **Attendance** is very important. An unexcused absence is a violation of state laws. Students who are chronically absent from school will, with their parents, be referred to the Juvenile Court System and/or the Division of Family Services for educational neglect.
4. **Theft** is a crime against both individuals and society. Acts of theft will be referred to the school principal, local law enforcement, and juvenile court authorities. The

school may assign the violator in-school or out-of-school suspension and/or detention.

5. **Possession, use, and/or distribution of illegal drugs or substances, tobacco or vaping devices, or alcohol** are strictly forbidden at VHS and its surrounding premises. Parents will be notified, and violators will immediately be referred to the school principal. The school will strictly adhere to the district drug, alcohol, and illegal substance policy.
6. **Vandalizing school property** is not acceptable and will not be tolerated. Full restitution will be required of those students who commit this offense. Parents will be contacted and possible referral to the local police department will be made. In-school or out-of-school suspension may also be used. Rewards may be offered to those who can assist in identifying those students who have vandalized the school in any way.

EXTRACURRICULAR ACTIVITY ELIGIBILITY AND CODE OF CONDUCT

Participation in extra-curricular activities is a privilege. Students are expected to conduct themselves in an appropriate manner both on and off campus.

Initial Eligibility

To be considered eligible to participate in any extra-curricular activity, a student must have:

- A term GPA of 2.0
- No failing grades in the preceding grading period. The only exception will be that failing grades in the fourth quarter of the school year may be made up prior to the first term of the succeeding year by approved school methods. Deficiencies must be made up in the same subject area.
- Health and accident insurance (physical examination by a medical doctor is required).
- Payment of all fees (waivers where applicable).
- A minimum of 4 classes/courses at the school (excluding released time).

These regulations also apply to students who are entering high school for the first time.

Eligibility during Grading Terms

- Students must maintain grades of D- or higher.
- Compliance with the school's attendance policy.

Students can practice, but not play or perform until the infraction has been cleared by the teacher and principal.

Safe School Policy Violation

In accordance with the Safe School Policy, students who are suspended or expelled are not allowed to participate in any practice, meet, match, competition or performance during the period of the suspension or expulsion.

Drugs, Alcohol, Tobacco and Illegal Behavior

Limitation for participation of students regarding the use of alcohol, tobacco products and other drugs during a sports season, or participating in illegal conduct, whether prosecuted or not, on or off campus:

- 1st Offense: A two week (14 day) suspension by the coach from games, meets, matches, competitions or performances. Practice may continue. *
- 2nd Offense: Automatic removal from the activity for the remainder of the activity season.

*For drugs, alcohol and tobacco offenses, practice may continue following a personal assessment of the student by a licensed substance abuse intervention or treatment program and/or participation in a district approved intervention program. Reinstatement at the end of any suspension is predicated upon successful participation in an intervention program. Costs related to licensed substance abuse intervention or treatment is the responsibility of the student's parent or guardian.

No Fresh Start

Violations carry over year to year and sport/activity to sport/activity in a participant's career (there is no "fresh start" each year). Violations must occur and be discovered during a sport/activity season. Any violation beyond the third offense carries the same penalty as the third offense.

Appearance

Students that participate in extra-curricular activities are required to dress at a higher level on game/activity/competition days than on regular school days. Extreme hair styles, extreme makeup and untrimmed facial hair is not allowed.

Other Guidelines

Any other guidelines imposed by a coach or advisor must have the support of team/activity members, the principal and the school community council and be written and attached to this Code of Conduct form.

Due Process

Students and parents will be notified, in writing, of all conditions regarding suspension. Students and parents have the right to appeal to the school principal in writing within 15 days of any decision. An appeal of the principal's decision is directed to the Superintendent. An appeal of the Superintendent's decision is directed to the Kane Board of Education.

HALLWAY EXPECTATIONS

The faculty and administration believe that every student is capable of having respectful and acceptable behavior at all times. Students should follow directions, walk, keep voice and noise level down, keep feet, hands, and mouth to themselves, and get to their destination in a safe, quiet, and orderly manner.

HALL PASSES

During class time, students in the halls must have a hall pass.

LUNCH ROOM

Students may choose to buy school lunch or bring their own lunch. School lunches are to be prepaid in the school office. Students will not be allowed to charge school lunches. Lunches may be purchased by the year, month, week or day. The school district offers free and reduced price lunch programs. Applications may be picked up from the school or district office or can be filled out online through the Aspire/SIS website.

Students will quietly walk to lunch, stand in line in an orderly fashion, not save seats, and pick up litter in your eating area.

Running, shoving, pushing, or any other impolite actions may result in a student being refused the use of this convenience. Throwing food of any kind will not be tolerated and may bring suspension or expulsion from eating in the lunchroom and/or extended cleaning duties.

HONOR ROLLS

VHS will recognize all honor roll students with a 3.5 GPA or better. Honor roll lists will be displayed at VHS and published in local newspapers. These students will also participate in an end of quarter incentive activity.

Valley High School students, teachers, and staff are expected to dress in a manner that demonstrates they respect themselves and the learning environment during school hours and while attending and participating in school activities.
