	Topic	Task
3:00	Getting Started	Norms -Review objectives and agenda -Discussion about the two-week Christmas break-many of the SCC would like to have a shorter Christmas break so that we can have a longer summer break. We looked over the calendar for next year. Students will come back on August 12th next year.

		<p>-Celebrations</p> <p>-Megan celebrated the school/community sports scene. The community gathers at each game, and she loves to see that.</p> <p>-Don and Breanna and Carlia celebrated the girls basketball performance in Monticello. The Monticello principal reached out and commended our girls and our school.</p> <p>-Bryce celebrated MAP reading scores from the winter test. Results were very good—we saw good growth. Very few students are performing below proficient.</p> <p>-It has been great to have Dason and his dog here at the school. He mingles with students and helps them. Feedback has been great from the students and community.</p>			
3:10	Business Items	<p>School Counseling</p> <p>-Flowers for Dexon's family during HOPE week.</p> <p>School Improvement Plan</p> <p>-Don shared the school goals regarding instruction and culture.</p> <p>Trustlands-Discussion</p> <p>-We have been trying to get a paraprofessional hired for several months with very little success. Joeie suggested putting some of that money into funding teachers for after school tutoring. Megan suggested maybe asking colleges if their tutors could help tutor our students.</p> <p>School Trust Lands plans will be available Jan. 15th</p> <p>Concerns</p> <p>-Do students who don't have Mrs. Larmore know that they can go to tutoring sessions with her?</p> <p>-Raising baskets 3-5 mins after games on school nights, up to 10 mins after games on weekends.</p> <p>-Refs have told us that the new gym floor is slick because people have been on it with street shoes. New procedure is that non-athletes should be on the floor during games.</p>			
3:45	End	<p>Review the meeting and create action items</p> <p>Amanda moved to accept the agenda and end the meeting;</p> <p>Carlia seconded, motion passed.</p>
