	Topic	Task
3:00	Getting Started	Norms -Review objectives and agenda -Celebrations: XC started up. First meet last week in Loa was hot! But good. :) Student athletes did well. -Fight song: "Valley Till We Die" by Mr. Heath-SCC approves it. -Jr. Prom: Don Christensen- State Fire Marshall did not like Prom last year. He wanted to make sure our ingress/egress is clear. He said we can't continue to do

		prom the way we have in this building. Joeie suggested this is a perfect time to start new traditions. We could do prom at a different time/location/indoor or outdoor. Get opinions from current juniors before we make any decisions. -Counseling: Parentguidance.org has a lot of virtual live event resources for parents on many topics; accountability and data project findings show very high scholarship totals for last year; we have a school counseling intern, Nicolette King—she's doing the things that Ashley wishes she had time for—intensive support for seniors, social media literacy for 7th graders, etc. <u>-Student Council Handbook Updates:</u> New cell phone policy that aligns with new state law. No cellphone use during school hours (bell to bell): 7:56-2:44. SCC would like students to be able to use cell phones during lunch. No hats or other headwear may be worn in addition to the graduation cap. -Approval of Trustlands Plan Amendments: Potentially use the funds that were being used to fund Mrs. Smith's position to now fund the Teen Center position: Mrs. Brinkerhoff and snacks/hygiene/clothing items. Can this money be used for that purpose, or does it have to be used for educational purposes. -Calendars: Sportsmanship Conference was today; Opening social tomorrow, 9/1; lots of XC, volleyball, and baseball, Zimmerman Assembly 9/14; Philip Keddy Assembly 9/18 Other: Joseph can't get SIS to work on his phone, he gets the "unknown error occurred" notice when he tries to see his kids' grades Concerns: Joeie asked if we could add college classes to eligibility; Joseph is nervous that our quality of education will drop with so many online classes being taken and lack of teachers—specifically losing history teachers in high school Breanna asked about a 4 day school week. Seems that many of the school districts in Utah are going 4-day.
