		the Barmitzvah Project; a one-man play about the holocaust. One theme is the "othering" of people and its consequences. Don sent the video to the school community council to review and give feedback to decide if it's something we want to show to our students. Probably geared more toward 9th-12th graders than the 7th-8th graders. Concerns:
4:00	**End**	Review the meeting and create action items

Did we stick to our norms?			

Any concerns? What can we do better next time?
